

## VOLUNTEERS

As the sale has grown, there has been a tremendous increase in the need for extra workers.

So--- we need you! We encourage you to consider giving even an hour or two of your time, maybe when you drop off your items, maybe another time. The sale is dependent on volunteers.

We can also use your friends or spouses who may not be consignors but are great workers. If you have an older child/teen who also is able to help, please let us know! We do not allow young children to be brought with you while you are working.
